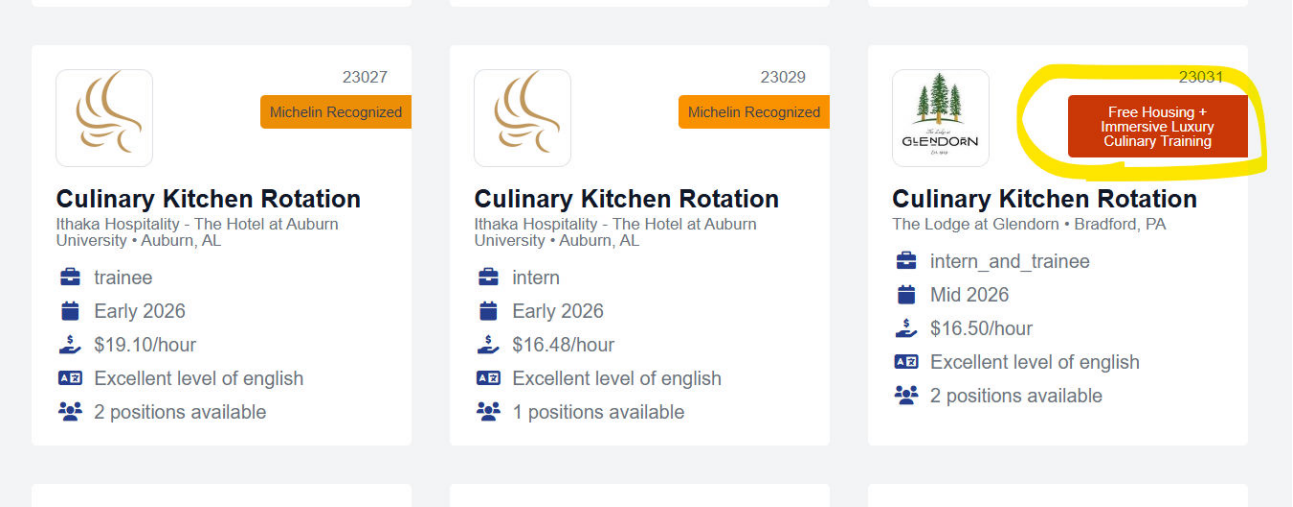
Hi Robert,
The column labeled Housing Model refers to whether or not the host company arranges the housing on behalf of the participant. In most cases, even if the order is labeled as "Host Company Provided" or "Host Company Assisted", the participant is still required to pay. Payment is often done thru a payroll deduction though and the participant does not need to worry about furnishing, etc. With Participant Arranged housing, the participant is responsible for arranging their own housing but we require all host companies to provide at least two specific locations that they can reach out to.

I can certainly provide details on housing for specific locations but all the details are contained in the Job Orders and are not easily pulled in a report like the one I sent you.

There are some but not many that provide free housing. When they do, we typically highlight it in a banner on the Online Position List (OPL). I have just created an account in Hanover for you. Please use this link to create your login details. You can click on Forgot password and use your email address as the username. https://aag.hanovercrm.com/



Best,
Lindsay

Good Morning Lindsay

I am working on a longer response, but just a quick question while I put this together. When it says housing type, apartment or dorm, is this paid by the candidate or is it furnished by the hosting company? And if you have any other information on housing please provide so we can put a full package to the student when possible.

Thx
Robert

HI Robert,
Thanks so much for your quick response!

1. **Immediate Request for small in person event in Bali on March 31**
    a. I have attached all the orders related to this request for a mini fair and have included details below with the number of positions we are looking to fill. If you feel that this is something you cannot make happen, please let me know as soon as possible so that we can go to Plan B.
    b. Again, this would not be a typical fair where you would be asked to arrange accommodations, cultural day, etc. This would simply be a day of in person interviews to fill these positions.

Job#	Host Entity	Title	Total positions	Rate	English level	ITP Program Type
23534	Marriott Intl - The Ritz Carlton Fort Lauderdale	Culinary Kitchen Rotation	**5**	$17.00	excellent	Both
23568	Marriott Intl- Sawgrass Marriott Golf Resort and Spa	Culinary Kitchen Rotation	**2**	$17.00	good	Intern
23569	Marriott Intl- Sawgrass Marriott Golf Resort and Spa	Culinary Kitchen Rotation	**3**	$17.00	good	Intern
25305	Marriott International - W Fort Lauderdale	Front Desk Rotation	**4**	$20.00	excellent	Intern
25306	MINTL - Orlando World Center Marriott	Culinary Kitchen Rotation	**4**	$21.00	good	Both
25307	MINTL - Orlando World Center Marriott	Front Desk Rotation	**3**	$20.00	excellent	Trainee
25560	Marriott Miami Biscayne Bay	Front Desk Rotation	**3**	$20.50	excellent	Both

2. **Current Open Positions**
   a. I have attached a spreadsheet with our current open positions. The file contains basic information about each position including location, compensation and level of English required. Our Online Position List is the best place to find further information, photos, and in many instances videos about the locations.
3. **Grandy Hyatt Vail**
   a. Do we have any update on when we could possibly have that fair at the school in Jakarta? Let me know if you need anything on my end to move this forward.

Happy to hop on a call early this week to discuss the mini fair.

I am also copying our wonderful fair manager, @Courtney Bryant on this message. Once we get moving on Grand Hyatt Vail, I would love for us all to meet to review our fair process.

Best,
Lindsay

Hi Lindsay

We were grateful you and Crystal came and all went to well. It was a real pleasure to meet you both. Thanks for the information below. I want to get the team to update our website and have assets to produce social media post.

We're excited to get the open positions and locations posted on our website. Do you have an asset bank of items to share? Could you send me a complete list, including the position titles, job descriptions, location details, photos, and any other relevant information? We'd like to start preparing ads and promotions.

Regards

Greetings,
Thank you so much for hosting me and Crystal yesterday. It truly was a wonderful day and made me feel both grateful and excited that we are moving forward with this partnership! It feels like such a natural fit and that we are aligned not only on the commercial side of things but also in our desire to transform lives through the experiences we can offer.

We already spoke about a number of items yesterday and I have one more immediate opportunity to present to you. We spoke about my upcoming trip to Bali for an in person recruitment fair with another agency that we work with in Bali. It seems that they are having some difficulties with recruitment and I would love to see if we could plan a day of interviews at your partner school in Bali, potentially for Mar 31. The positions would be culinary and front desk. Is this something that you think we could arrange and if so, how many candidates do you think you would be able to present?
The host companies are all amazing properties and all interviews would be done by two representatives from OWC. You would not need to pay for any accommodations or meals for this one 😊

Marriott International - Orlando World Center
Marriott International - Sawgrass Marriott Golf Resort and Spa
Marriott International - The Ritz Carlton Fort Lauderdale
Marriott International - W Fort Lauderdale
Marriott International - Miami Marriott Biscayne Bay

Also – Here are some videos that you can use along with the podcast. Let me know if this works. The Orlando World Center one features Raquel Webb, who is traveling for this fair.

- ITP participant Evelyn Mena, The Broadmoor - https://www.youtube.com/watch?v=5a1whP_xPzE

Would love to hear your initial thoughts on this by tomorrow if possible! Nothing like jumping in head first, right! Also, let me know what further information I can provide.

Best,
Lindsay
